

POKIES BY NUMBERS

Central Otago District

PGF GROUP
Healthy and resilient communities in a just society

For more information visit: pgf.nz/tla

\$4million

Total \$ lost on Class 4 pokies 2019
- thats more than
\$11,000 every day!

\$32,014
up from 2018

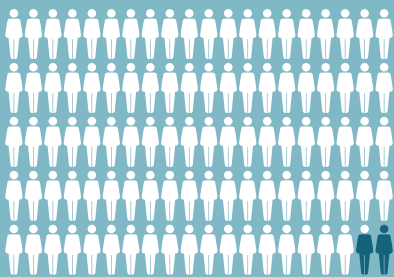

\$781

thousand

returned as grants to the
Central Otago community.

This figure includes grants made directly to Central Otago District only, and does not include grants that might have been shared with more than one Territorial Local Authority (TLA) or distributed by a national body.

Pokie trusts operate pokie machines in pubs, clubs and TABs. The societies, their machines and the pubs, clubs and TABs that operate them make up the Class 4 gambling sector.
